11. CLIENT ACKNOWLEDGEMENT

The undersigned acknowledge that the vehicle has been inspected at handover and/or return and that the condition recorded in this form represents the condition observed at the relevant inspection. Pre-existing damage or defects should be recorded above. The Client has been given an opportunity to identify and record any discrepancy or disputed item. Damage beyond normal wear and tear may be assessed in accordance with the Honnock Hire Cars Agreement. Photographs and supporting inspection records may form part of the vehicle condition record. This form does not amend, replace or waive the Service Agreement. Signing acknowledges the recorded inspection condition and does not automatically determine legal responsibility for any disputed damage.
